Introduction

This directory provides a list of Triple-S Commercial network providers who participate in the **Federal Employee Health Benefits Program or FEHB / Postal Service Health Benefits Program or PSHB**. Providers are available to deliver health care services in accordance with the benefits, terms, and conditions of each member's coverage.

Members may receive services from participating network providers applicable to their plan and covered services. Access to certain services may be subject to specific coverage requirements.

Certain services, procedures, medications, medical equipment, or other benefits may require prior authorization before they are provided. Members and/or providers are encouraged to verify applicable requirements before receiving or arranging services. Approval of prior authorization is subject to the terms, conditions, clinical criteria, and benefits established under the applicable coverage.

The providers listed in this directory have agreed to participate in the Triple-S Commercial network and provide services to eligible members in accordance with the terms of their contractual agreements.

Receiving services from an out-of-network provider results in different and higher cost-sharing amounts for the member. For specific information regarding benefits, cost-sharing, prior authorization requirements, limitations, exclusions, and the use of out-of-network providers, members should refer to the documents applicable to their coverage call **787-774-6081** or **1-800-716-6081** (toll free). TTY/TDD users should call **787-792-1370** or **1-866-215-9999**. Our call center is available Monday thru Friday **7:30 AM to 8:00 PM**, Saturdays from **9:00 AM to 6:00 PM** and Sundays from **11:00 AM to 5:00 PM** – AST (Atlantic Standard Time). You can also call **787-474-5219** or **1-833-201-9256** (toll free). TTY/TDD users should call **787-792-1370** or **1-866-215-9999**. Our call center is available Monday thru Friday **7:30 AM to 8:00 PM**, Saturdays from **9:00 AM to 6:00 PM** and Sundays from **11:00 AM to 5:00 PM** – AST (Atlantic Standard Time).

This directory is designed to help members identify participating providers by specialty and location. For your convenience, each provider type is organized into sections, which are further divided by municipality. Once you identify the applicable municipality, you can locate the provider of your choice, as providers are listed in alphabetical order. Provider participation may change; therefore, members are encouraged to confirm that a provider continues to participate in the network before arranging or receiving services.
