Estimado Asegurado del Plan ELA Diamante de Triple-S Salud:

Para facilitarle la búsqueda y selección de proveedores, la siguiente información le presenta una referencia rápida de cómo buscar en este directorio:

- Los médicos están agrupados por pueblo. Busque el pueblo donde le interesa seleccionar su médico personal. Los médicos personales aparecen en la primera Sección de este Directorio.
- Localice el nombre del médico personal de su preferencia. Su médico personal puede ser un Generalista, Internista, Médico de Familia, Ginecólogo o Pediatra. Usted puede tener diferentes médicos personales para sus dependientes pero deben pertenecer al mismo Grupo Médico.
- El Grupo Médico al cual pertenece el médico personal está identificado debajo de la dirección del médico personal.
- Después que usted y sus dependientes hayan seleccionado un Médico Personal e identificado el Grupo Médico, asegúrese de escribir el nombre del mismo en la Solicitud de Ingreso de nuestro plan.
- Los especialistas están clasificados por pueblo. Identifique el pueblo y luego la especialidad que le interesa visitar.
- Al lado del nombre de cada especialidad se identifica si requiere o no referido. Usted no necesita un referido para acceder los especialistas contratados por su Grupo Médico.
- Si la especialidad indica que no requiere referido, usted puede acceder directamente cualquier proveedor participante de Axis que se presenta en este Directorio.
- Si la especialidad requiere referido, recuerde solicitar a su médico personal el referido a un especialista participante de este Directorio antes de visitarlo siempre y cuando no pertenezca a su Grupo Médico. El referido es válido por 60 días una vez lo emite el médico personal. Los servicios que requieren referido fuera del Grupo Médico seleccionado son los siguientes:
 - Visitas a las siguientes especialidades médicas: Cardiología (excepto intervencional, nuclear o pediátrica), Gastroenterología (excepto pediátrica), Oftalmología (excepto retinólogo y glaucoma), Optometría, Dermatología, Endocrinología (excepto pediátrica), Reumatología (excepto pediátrica), Manejo del dolor y Otorrinolaringología.

- Pruebas diagnósticas especializadas CT, MRI (excepto mamografía con resonancia magnética), MRA, sonogramas, electroencefalogramas, electrocardiogramas de 24 horas, ecocardiogramas, cistoscopias y cistogramas.
 - Cirugía ambulatoria en hospital o centro de cirugía ambulatoria.
 - Debe visitar a los generalistas, internistas, médicos de familia y pediatras de su Grupo Médico. Si por alguna razón fuera necesario obtener los servicios de estos proveedores fuera del Grupo Médico seleccionado, requerirá un referido del médico personal.
- Las restantes facilidades y proveedores están clasificados por Sección y pueblo. Busque el servicio que le interesa y luego el pueblo donde está ubicado. Por ejemplo, si tiene la cubierta de farmacia y necesita visitar una farmacia para obtener la receta de un medicamento, vaya a la Sección de Farmacia, identifique el pueblo y luego localice la de su preferencia.
 - Usted debe seleccionar en todo momento un médico o proveedor participante del Directorio de Médicos y Proveedores Participantes de ELA Diamante. Si tiene la cubierta de farmacia, los medicamentos cubiertos deben ser recetados por una farmacia participante. Triple-S Salud no reembolsará servicios prestados por proveedores no participantes.

Si necesita asistencia o para información adicional, comuníquese con nuestro Departamento de Servicio al Cliente al 787-774-6060.
