Coverage for: Individual / Couple / Family | Plan Type: POS

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage you can access www.ssspr.com or call (787)774-6060. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms, see the Glossary. You can view the Glossary at <a href="https://www.healthcare.gov/sbc-glossary">https://www.healthcare.gov/sbc-glossary</a> or call 1-800-981-3241.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$0	See the Common Medical Circumstances table below for costs of services covered by this plan.
Are there services covered before you meet your deductible?	Yes.	This plan covers preventive services and vaccines even if you have not yet met the <u>deductible</u> amount. However, a <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other <u>deductibles</u> for specific services?	No.	No <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	For medical-hospital services and medications provided by in-network providers - \$6,350 Individual / \$12,700 Family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , you have to meet your own direct <u>out-of-pocket limits</u> until the family's <u>out-of-pocket limit</u> has been reached.
What is not included in the out-of-pocket limit?	Premiums, payments for non- essential benefits, payments for non-covered services, services provided by out-of-network providers.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See <a href="https://www.ssspr.com">www.ssspr.com</a> or call 1-800-981-3241 for a list of <a href="https://www.ssspr.com">network</a> providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies. <u>https://www.healthcare.gov/sbc-glossary/</u>
