

New benefits and changes for Federal Employees and Annuitants in Triple-S Salud FEHB

FEHB Benefits	Triple-S FEHB 2015	Triple-S FEHB 2016
<b>Laboratory Tests</b>	\$7.50 copay per laboratory visit.	<b>\$1.00 copay per each diagnostic blood test and/or urinalysis.</b> However, laboratory tests under the preventive care benefit will be covered at a 100%.
<b>Hearing Aids</b>	We covered a maximum of \$250 per ear every two years.	We will cover up to <b>\$500 maximum</b> per ear every two years.
<b>Adaptive Behavior Assessment</b>	Not a benefit.	<b>\$10 copay per office visit using participant providers.</b> Coverage is provided for the following services: treatment for autism disorder, behavior identification assessment, observational and exposure behavioral follow-up assessment, and adaptive behavior treatment for individual or family therapy.
<b>Health Risk Assessment (HRA) Incentive</b>	Not a benefit.	<b>An exercise kit will be provided when registered members complete the HRA available in our web portal <a href="http://www.ssspr.com/federal">www.ssspr.com/federal</a>.</b> It consists of a: backpack, water bottle, pedometer, wrist band and jump rope. One kit will be provided per contract after submitting a copy of the confirmation page when completing the HRA to any of our Service Centers in Puerto Rico or United States Virgin Islands.
<b>Self Plus One Enrollment</b>  893 for Puerto Rico  853 for United States Virgin Islands	Enrollment option not available.	<b>Self Plus One is a new enrollment option</b> in the Federal Employees Health Benefits Program (FEHBP) that allows you to cover yourself and one eligible family member you designate to be covered. Your eligible family member can include either a spouse or a child up to age 26. A child age 26 or over who is incapable of self-support because of a mental or physical disability that existed before age 26 is also an eligible family member.
