

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE:** Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.

This is only a summary. Please read the FEHB [Plan](#) brochure (RI 73-016) that contains the complete terms of this [plan](#). All benefits are subject to the definitions, limitations, and exclusions set forth in the FEHB [Plan](#) brochure. Benefits may vary if you have other coverage, such as Medicare. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can get the FEHB [Plan](#) brochure at <http://www.ssspr.com/en>, and view the Glossary at <https://www.healthcare.gov/sbc-glossary>. You can call 787-774-6081 from Puerto Rico and 1-800-716-6081 from U.S. Virgin Islands to request a copy of either document.

Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$0	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible ?	Not Applicable.	You don't have to meet deductibles for specific services, but a copayment or coinsurance may apply.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	\$ 6,600 / Self Only \$ 13,200 / Self Plus One \$ 13,200 / Self and Family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit ?	Premiums , balance-billing charges, health care this plan doesn't cover, payments for non-essential benefits, out-of-network coinsurance / copayments , and penalties for failure to obtain pre-authorization for services.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.ssspr.com or call 787-774-6081 from Puerto Rico or 1-888-716-6081 from USVI for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .
