Introduction

On December 23, 2004, President George W. Bush signed the Federal Employee Dental and Vision Benefits Enhancement Act of 2004 (Public Law 108-496). The law directed the Office of Personnel Management (OPM) to establish supplemental dental and vision benefit programs to be made available to Federal employees, annuitants, and their eligible family members. In response to the legislation, OPM established the Federal Employees Dental and Vision Insurance Program (FEDVIP). OPM has contracted with dental and vision insurers to offer an array of choices to Federal employees and annuitants. Section 715 of the National Defense Authorization Act for Fiscal Year 2017 (FY 2017 NDAA), Public Law 114-38, expanded FEDVIP eligibility to certain TRICARE-eligible individuals.

This brochure describes the benefits of Triple-S Salud under Triple-S Salud's contract OPM02-FEDVIP-02AP-13 with OPM as authorized by the FEDVIP law. The address for our administrative office is:

Opportunities to Enroll or Change Enrollment

*Position must be in a Federal agency that provides dental and/or vision coverage with 50 percent or more employer-paid premium and you elect to enroll.

The timeframe for requesting a QLE change is from 31 days before to 60 days after the event. There are two exceptions:

- There is no time limit for a change based on moving from a regional plan's service area and
- You cannot request a new enrollment based on a QLE before the QLE occurs, except for enrollment because of the loss of dental or vision insurance. You must make the change no later than 60 days after the event.

Enrollments and enrollment changes made based on a QLE are effective on the first day of the pay period following the one in which BENEFEDS receives and confirms the enrollment or change. BENEFEDS will send you confirmation of your new coverage effective date.

Once you enroll in a plan, your 60-day window for that type of plan ends, even if 60 calendar days have not yet elapsed. That means once you have enrolled in either plan, you cannot change or cancel that particular enrollment until the next open season, unless you experience a QLE that allows such a change or cancellation.

VA Exception for Cancellation

Generally, you may cancel your enrollment only during the annual open season. However, if you are a FEDVIP enrollee paying premiums on a **post-tax basis**, and you, your family member, or TEI family member becomes eligible for VA dental or vision benefits, then you **may** change your enrollment type or cancel your enrollment within 60 days of receiving notification of VA dental or vision eligibility. This 60-day period may fall outside of open season. VA dental or vision eligibility documentation must be submitted to OPM via the BENEFEDS mailbox (benefedsportal@opm.gov) within 60 days of notification to support the FEDVIP enrollment change or cancellation.

Your cancellation is effective at the end of the day before the date OPM sets as the open season effective date. An eligible family member's coverage also ends upon the effective date of the cancellation.

If you are a FEDVIP enrollee paying premiums on a **pre-tax basis,** and you, your family member, or TEI family member becomes eligible for VA dental or vision benefits, then you **may not** change or cancel your FEDVIP enrollment until the next open season.

FEDVIP enrollees can verify if they are paying their premiums on a pre- or post- tax basis by contacting BENEFEDS at 1-877-888-3337, TTY: 711, International: 1-571-730-5942.

When Coverage Stops

Coverage ends for active and retired Federal, U.S. Postal employees, and TRICARE-eligible individuals when you:

- no longer meet the definition of an eligible employee, annuitant, or TRICARE-eligible individual;
- as a Retired Reservist you begin active duty;
- as sponsor or primary enrollee leaves active duty

- begin a period of non-pay status or pay that is insufficient to have your FEDVIP premiums withheld and you do not make direct premium payments to BENEFEDS;
- are making direct premium payments to BENEFEDS and you stop making the payments;
- cancel the enrollment during open season;
- a Retired Reservist begins active duty; or
- the sponsor or primary enrollee leaves active duty.

Coverage for a family member ends when:

- you as the enrollee lose coverage; or
- the family member no longer meets the definition of an eligible family member.

Continuation of Coverage

Under FEDVIP, there is no 31-day extension of coverage. The following are also NOT available under the FEDVIP plans

- Temporary Continuation of Coverage (TCC);
- spouse equity coverage; or
- right to convert to an individual policy (conversion policy).

FSAFEDS/High Deductible Health Plans and FEDVIP

If you are planning to enroll in a FSAFEDS Health Care Flexible Spending Account (HCFSA), Limited Expense Health Care Flexible Spending Account (LEX HCFSA), or any flexible spending account, you should consider how coverage under a FEDVIP plan will affect your annual expenses, and thus the amount that you should allot to an FSAFEDS account. Please note that insurance premiums are not eligible expenses for either type of FSA.

Please review IRS - Publication 969, Health Savings Accounts and Other Tax-Favored Health Plans (www.irs.gov/forms-pubs/about-publication-969) for additional information about carryover and contribution amounts for the upcoming tax year. If you have an HCFSA or LEX HCFSA FSAFEDS account and you have not exhausted your funds by December 31st of the plan year, FSAFEDS can automatically carry over a set maximum amount of unspent funds into another health care or limited expense account for the subsequent year. To be eligible for carryover, you must be employed by an agency that participates in FSAFEDS and actively making allotments from your pay through December 31st. You must also actively re-enroll in a health care or limited expense account during the next open season to be carryover eligible. Your re-enrollment must meet the minimum contribution amount for the plan year. If you do not re-enroll, or if you are not employed by an agency that participates in FSAFEDS and actively making allotments from your pay through December 31st, your funds will not be carried over.

Because of the tax benefits an FSA provides, the IRS requires that you forfeit any money for which you did not incur an eligible expense and file a claim in the time permitted. This is known as the "Use-it-or-Lose-it" rule. Carefully consider the amount you will elect.

Current FSAFEDS participants must re-enroll to participate in the program next year.

See www.fsafeds.com or call 1-877-FSAFEDS (372-3337) or TTY: 1-866-353-8058. Note: FSAFEDS is not open to retired employees or to TRICARE eligible individuals.

If you enroll or are enrolled in a high deductible health plan with a health savings account (HSA) or health reimbursement arrangement (HRA), you may use your HSA or HRA to pay for qualified dental/vision costs not covered by your FEHB/PSHB and/or FEDVIP plans.

Section 3 How You Obtain Care

Identification Cards/ Enrollment Confirmation

We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a plan provider. Your ID card does not have an expiration date to ensure the continuity of services.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 787-281-2303 or call free at 1-800-716-6081, TTY 787-792-1370, 1-866-215-1999 or write to us at Triple-S Salud, Inc. (Triple-S Salud), Customer Service Division, 1441 Roosevelt Avenue, San Juan, Puerto Rico 00920. You may also request replacement cards through our Web site at www.ssspr.com.

It is important to bring your FEDVIP and FEHB/PSHB identification cards to every dental appointment because most FEHB/PSHB plans offer some level of dental benefits separate from your FEDVIP coverage. Presenting both identification cards can ensure that you receive the maximum allowable benefit under each Program.

Where You Obtain Covered Care

You obtain care from "plan providers". You will only pay coinsurance, and you will not have to file claims, except when receiving services from orthodontists, who are not "plan providers".

Plan Providers

We list plan providers in the provider directory, which we update periodically. The list is on our Web site at: www.ssspr.com or you may call us at 787-281-2303 or call free at 1-800-716-6081, TTY 787-792-1370 or 1-866-215-1999.

In-Network

The primary care dentists are duly authorized plan dentists with a regular license issued by the designated entity of the government of Puerto Rico, and who are bona fide members of the "Colegio de Cirujanos Dentistas de Puerto Rico", who have signed a contract with Triple-S Salud, Inc. to render dental services.

Out-of-Network

We will only reimburse out-of-network services when rendered by orthodontists. No other services rendered by out-of-network providers are covered including emergency services performed by an out-of-network dentist. If you receive dental services from other out-of-network providers, services are not covered and you will have to pay 100% of the charges and we will not reimburse you.

Emergency services performed by an out-of-network dentist are not covered. You will have to pay 100% of the charges and we will not reimburse you.

Pre-Authorization/Pre-Determination of Benefits

Some of the objectives of the pre-determination of benefits are to allow both the participant and the insured to confirm beforehand the eligibility of the service for the dental coverage, the scope of the covered services, limits, exclusions, necessity and deductibles and coinsurances applicable under the insureds contract. Pre-determinations will be evaluated based on the pre-determination policies that Triple-S Salud, Inc. has established. We will not be liable for payment of services, if they have been rendered or received without this pre-authorization/pre-determination.

The following dental benefits will require a pre-authorization/pre-determination of benefits: all crowns, fixed and removable prostheses, periodontal procedures and endodontic retreatments.

The dentist is responsible for the pre-determination of benefits and will list all services of the treatment plan on the ADA claim form and include radiographs and a report with the clinical evaluation justifying the necessity for the services. The dentists will submit the form by paper or electronically. For questions regarding this process, call us at 787-281-2303 or call free at 1-800-716-6081, TTY 787-792-1370 or 1-866-215-1999.

FEHB/PSHB First Payor

When you visit a provider who participates with both, your FEHB/PSHB plan and your FEDVIP plan, the FEHB/PSHB plan will pay benefits first. The FEDVIP plan allowance will be the prevailing charge in these cases. You are responsible for the difference between the FEHB/PSHB and FEDVIP benefit payments and the FEDVIP plan allowance. We are responsible for facilitating the process with the FEHB/PSHB first payor.

It is important to bring your FEDVIP and FEHB/PSHB identification cards to every dental appointment because most FEHB/PSHB plans offer some level of dental benefits separate from your FEDVIP coverage. Presenting both identification cards can ensure that you receive the maximum allowable benefit under each Program.

Coordination of Benefits

We will coordinate benefit payments with the payment of benefits under other group health benefits coverage you may have and the payment of dental costs under no-fault insurance that pays benefits without regard to fault.

It is important to bring your FEDVIP and FEHB/PSHB identification cards to every dental appointment because most FEHB/PSHB plans offer some level of dental benefits separate from your FEDVIP coverage. Presenting both identification cards can ensure that you receive the maximum allowable benefit under each Program.

We may request that you verify/identify your health insurance plan(s) annually or at time of service.

Service Area

To enroll in this plan, you must live in our service area. This is where our providers practice. Our service area is ***only*** Puerto Rico.

You must get your care from providers within the service area who contract with us. If you receive care outside our service area, you will have to pay 100% of the charges. We will not pay for services out of our service area.

If you move outside of our service area, you may enroll in another plan at that time. You do not have to wait until open season to change plans.

Contact BENEFEDS at www.BENEFEDS.gov or call 1-877-888-FEDS (1-877-888-3337), TTY: 711, International: 1-571-730-5942 to change plans.

Dental Review

Only individual crowns, removable and fixed prostheses and endodontic retreatments require dental review. Requests will be processed faster if they are accompanied with periapical radiographs with diagnostic value and brief by reports with additional clinical information that may not be evident in the radiographs.

Section 4 Your Cost For Covered Services

This is what you will pay out-of-pocket for covered care:

Coinsurance	Coinsurance is the percentage of our allowance that you must pay for your care. Example: In our plan, you pay 15% of our allowance for oral surgery.
Lifetime Benefit Maximum	In our plan, the established lifetime benefit maximum of $2,000 applies only to orthodontic services.
In-Network Services	You pay the established coinsurance for each service. Please see Section 5, Dental Services and Supplies, for more information.
Out-of-Network Services	There is no benefit payable for out-of-network services other than for orthodontia. You pay 100% of the billed charges. We will not reimburse you. Orthodontic services are reimbursed at 50% up to a lifetime maximum of $2,000 per member.
Emergency Services	You pay the established coinsurance for each in-network service. For emergency services received from out-of-network providers in or outside of our service area (Puerto Rico), you pay 100% of the costs.
International Services	There is no coverage for services rendered overseas. You pay 100% of the cost.
In-Progress Treatment	In-progress treatment for dependents of retiring active duty service members who were enrolled in the TRICARE Dental Program (TDP) will be covered for the 2026 plan year; regardless of any current plan exclusion for care initiated prior to the enrollee's effective date. This requirement includes assumption of payments for covered orthodontia services up to the FEDVIP policy limits, and full payment where applicable up to the terms of FEDVIP policy for covered services completed (but not initiated) in the 2026 plan year such as crowns and implants.

Section 5 Dental Services and Supplies Class A Basic

Important things you should keep in mind about these benefits:

Section 7 Claims Filing and Disputed Claims Processes

How to File a Claim for Covered Services

When you see plan providers, you will not have to file claims. Just present your identification card and pay your coinsurance.

You will only need to file a claim when you receive orthodontic services. You will have to submit the claim within one (1) year since the date of service. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

1. Claims for orthodontic reimbursement: In most cases, providers file claims for you. Dentists must file an ADA claim form. For claims questions and assistance, call us at 787-281-2303 or call free at 1-800-716-6081, TTY 787-792-1370 or 1-866-215-1999. When you receive orthodontic services, you must file an ADA claim form or a claim that includes the information shown below. Bills and receipts should be itemized and:

- Must be sent to: Triple-S Salud, Inc. PO Box 363628, San Juan, PR 00936-3628; and
- Verify that the receipts have the information about the dentist printed on it and that the name of the insured agrees with the contract number. The Request for Reimbursement Form will be accepted as a receipt as long as it has the dentist information printed; the dentist's signature and their license number.
- When requesting reimbursement for the first time, the insured must include:
  - the treatment plan detailing the first visit
  - down payment
  - monthly payments
  - total cost
  - duration of treatment
- Receipts must agree with what was established in your treatment plan.
- If the insured pays more than one visit in the same receipt, he/she must send the exact dates (month, day, and year) of the services for which he/she paid.
- Payments in advance or total payment of the treatment will not be considered for reimbursement.
- If you pay for retainers, it must be indicated if they are mandibular or maxillary.
- If you request reimbursement for orthodontic devices, it must be indicated if they are fixed (D8220) or removable (D8210).

To request reimbursement through Coordination of Benefits add:

- Contract number of the other plan
- If the reimbursement is for amounts left unpaid by your other plan, you must include the other plan's Explanation of Benefits.

2. We have a period of 30 days after our receipt of the claim to:

- Notify you of our determination.
- Request additional information. You will have up to 60 days to provide the requested information.
- Inform you that more time is needed to make a decision. This extension may consist of a maximum of 15 additional days.

Deadline for Filing Your Claim

Send us all the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

Disputed Claims Process

Follow this disputed claims process if you disagree with our decision on your claim or request for services. **The FEDVIP law does not provide a role for OPM to review disputed claims.**

Disputed Claim Steps

1. Ask us in writing to reconsider our initial decision. You must:
   - Write to us within the 180 days from the date of our determination.
   - Include in your letter the reason why you believe that the initial determination is incorrect.
   - Enclose copies of the documents that support your claim, such as a letter from the dentists, and the explanations of benefits.
   - Submit your written complaint to the following address: Triple-S Salud, Inc., Customer Service Division, Complaints and Grievances Unit, PO Box 363628, San Juan, PR 00936-3628.
2. We will notify you about our decision on your complaint no later than 30 days from the date your complaint was received. If we need more time to make our decision, we will notify you in writing. In said cases, the term to answer your complaint will not exceed a period of 15 days.
3. If the dispute is not resolved through the reconsideration process, you may request a review of the denial. You may request a reconsideration within 60 days from the date you received the notification of our determination. You may send your reconsideration request to the same address to which you sent your complaint. In your reconsideration request, you must include the reason(s) why you understand Triple-S Salud was mistaken in its initial determination. We must answer your request for reconsideration with a term of 30 days.
4. If you do not agree with our final decision, you may request an independent third party, mutually agreed upon by us and OPM, review the decision. The decision of the independent third party is binding and is the final review of your claim. This decision is not subject to judicial review.

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Dental and Vision Insurance Program premium.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Do not give your plan identification (ID) number over the telephone or to people you do not know, except to your providers, plan, BENEFEDS, or OPM.
- Let only the appropriate providers review your clinical record or recommend services.
- Avoid using providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review your explanation of benefits (EOBs) statements.
- Do not ask your provider to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
  - Call the provider and ask for an explanation. There may be an error.
  - If the provider does not resolve the matter, call us at 787-281-2303 or call free at 1-800-716-6081, TTY 787-792-1370 or 1-866-215-1999 and explain the situation.
- Do not maintain as a family member on your policy:
  - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
  - Your child over age 22 (unless they are disabled and incapable of self- support).

If you have any questions about the eligibility of a dependent, please contact BENEFEDS.

Be sure to review Section 1, Eligibility, of this brochure, prior to submitting your enrollment or obtaining benefits.

Fraud or intentional misrepresentation of material fact is prohibited under the plan. You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEDVIP benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the plan, or enroll in the plan when you are no longer eligible.
