Nota para los miembros existentes: Este formulario ha cambiado desde el año pasado. Revise este documento para asegurarse de que aún contiene los medicamentos que toma.

Cuando esta Lista de medicamentos (formulario) menciona “nosotros”, “nos” o “nuestro”, hace referencia a Triple-S Salud. Cuando dice “plan” o “nuestro plan”, hace referencia a Triple-S Optimo PSHB.

Este documento incluye la Lista de medicamentos (formulario) de nuestro plan, que está vigente al 09/19/2025. Para obtener una lista de los medicamentos (formulario) actualizada, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha de la última actualización de la lista de los medicamentos (formulario), aparece en las páginas de portada y la portada posterior.

En general, debe utilizar farmacias de la red para aprovechar su beneficio de medicamentos con receta. Los beneficios, el formulario, la red de farmacias o los copagos/coseguro pueden cambiar el 1 de enero de 2026 y, ocasionalmente, durante el año.

¿Qué es el formulario de Triple-S Optimo PSHB?

En este documento, usamos los términos Lista de medicamentos y Formulario para decir lo mismo. Un formulario es una lista de medicamentos cubiertos seleccionados por Triple-S Optimo PSHB en consulta con un equipo de proveedores de atención médica, que representa los tratamientos con receta considerados necesarios para un programa de tratamiento de calidad. Por lo general, Triple-S Optimo PSHB cubrirá los medicamentos incluidos en nuestro formulario, siempre y cuando el medicamento sea médicamente necesario, la receta se surta en una farmacia de la red de Triple-S Optimo PSHB y se cumplan otras normas del plan. Para obtener más información sobre cómo obtener sus medicamentos con receta, consulte su Evidencia de cobertura.

¿El formulario puede cambiar?

La mayoría de los cambios en la cobertura para medicamentos se hacen el 1 de enero, pero Triple-S Optimo PSHB puede agregar o eliminar medicamentos del formulario durante el año, moverlos a niveles de costo compartido diferentes o agregar nuevas restricciones. Debemos seguir las normas de Medicare al hacer estos cambios. Las actualizaciones del formulario se publican mensualmente en nuestro sitio web: www.ssspr.com/postal.

Cambios que pueden afectarlo este año: En los siguientes casos, usted se verá afectado por los cambios en la cobertura durante el año:

- **Sustituciones inmediatas de determinadas versiones nuevas de medicamentos de marca y productos biológicos originales.** Podemos eliminar inmediatamente un medicamento de marca de nuestro formulario si lo reemplazamos con una nueva versión del medicamento que aparecerá en el mismo nivel de costo compartido o en uno menor y con las mismas restricciones o menos. Cuando agregamos una nueva versión de un medicamento a nuestro formulario, podemos decidir mantener el medicamento de marca o el producto biológico original en nuestro formulario, pero inmediatamente moverlo a un nivel de costo compartido diferente o agregar nuevas restricciones.

Si usted está tomando actualmente el medicamento de marca o el producto biológico original, es posible que no le informemos antes de hacer un cambio inmediato, pero luego le daremos la información sobre los cambios específicos que hicimos.

Si hacemos ese cambio, usted o la persona que autoriza la receta puede solicitarnos que hagamos una excepción y continuemos cubriendo el medicamento que se está cambiando. Para obtener más información, consulte la sección “¿Cómo puedo solicitar una excepción del formulario de Triple-S Optimo PSHB?”.

Algunos de estos tipos de medicamentos pueden ser nuevos para usted. Para obtener más información, consulte la sección “¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?”

- **Medicamentos retirados del mercado.** Si un medicamento se retira de la venta por el fabricante o la Administración de Alimentos y Medicamentos (FDA) determina que se retira por razones de seguridad o eficacia, podemos eliminar inmediatamente el medicamento de nuestro formulario y luego proporcionar un aviso a los miembros que toman el medicamento.
- **Otros cambios.** Podemos efectuar otros cambios que afecten a los miembros que consumen el medicamento en la actualidad. Por ejemplo, podemos agregar un nuevo medicamento genérico para reemplazar un medicamento de marca que actualmente está en el formulario, o agregar un nuevo biosimilar para reemplazar un producto biológico original que actualmente está en el

formulario, o agregar nuevas restricciones o mover un medicamento que mantenemos en el formulario a un nivel de costo compartido más alto, o ambos, después de agregar un medicamento correspondiente. Podríamos hacer cambios según nuevas pautas clínicas. Si eliminamos medicamentos de nuestro formulario, agregamos una autorización previa, un límite de cantidad o una restricción al tratamiento escalonado para un medicamento, o movemos un medicamento a un nivel de costo compartido más alto, debemos notificar a los miembros afectados del cambio al menos 30 días antes de que el cambio entre en vigencia. Por otra parte, cuando un miembro solicita un resurtido del medicamento, puede recibir un suministro de 30 días del medicamento y un aviso sobre el cambio.

Si hacemos estos otros cambios, usted o la persona que autoriza la receta pueden solicitarnos que hagamos una excepción y continuemos cubriendo el medicamento que ha estado tomando. El aviso que le entregamos también incluirá información sobre cómo solicitar una excepción, y también puede encontrar información en la sección a continuación titulada "¿Cómo solicito una excepción al formulario de Triple-S Optimo PSHB?"

Cambios que no le afectarán si actualmente está tomando el medicamento. Por lo general, si toma un medicamento que se encuentra en nuestro formulario para 2026 y que estaba cubierto al comienzo del año, no discontinuaremos ni reduciremos la cobertura del medicamento durante el año de cobertura 2026, excepto como se describió anteriormente. Esto significa que continuará estando disponible al mismo costo compartido y sin restricciones nuevas para aquellos miembros que lo tomen por el resto del año de cobertura. Este año no recibirá un aviso directo sobre los cambios que no lo afecten. Sin embargo, dichos cambios lo afectarán a partir del 1 de enero del próximo año y es importante consultar el formulario para el nuevo año de beneficios para ver si hay cambios en los medicamentos.

El formulario adjunto estará vigente a partir del 09/19/2025. Para obtener información actualizada sobre los medicamentos cubiertos por Triple-S Optimo PSHB, comuníquese con nosotros. Nuestra información de contacto aparece en las páginas de la portada y la portada posterior.

¿Cómo utilizo el formulario?

Hay dos formas para encontrar un medicamento dentro del formulario:

Afección médica

El formulario empieza en la página 1. Los medicamentos en este formulario están agrupados en categorías dependiendo del tipo de afecciones médicas que traten. Por ejemplo, los medicamentos utilizados para tratar una afección cardíaca están incluidos en la categoría Cardiovascular. Si usted sabe para qué se utiliza el medicamento, busque el nombre de la categoría en la lista que comienza en la página 1. Luego, busque su medicamento debajo del nombre de esa categoría.

Listado alfabético

Si no está seguro de en qué categoría buscar, debe buscar su medicamento en el Índice al final del documento del formulario. El Índice proporciona un listado alfabético de todos los medicamentos incluidos en este documento. Tanto los medicamentos de marca como los genéricos se encuentran en el Índice. Consulte el Índice y busque su medicamento. Junto al medicamento, verá el número de página en el que puede encontrar la información de cobertura. Vaya a la página que aparece en el Índice y busque el nombre de su medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

Triple-S Optimo PSHB cubre tanto los medicamentos de marca como los genéricos. Un medicamento genérico está aprobado por la Administración de Drogas y Alimentos (FDA) dado que se considera que tiene el mismo ingrediente activo que el medicamento de marca. Por lo general, los medicamentos genéricos funcionan igual de bien y suelen costar menos que los de marca. Hay medicamentos genéricos sustitutos disponibles para muchos medicamentos de marca. Por lo general, los medicamentos genéricos pueden ser sustituidos por el medicamento de marca en la farmacia sin la necesidad de una nueva receta, según las leyes estatales.

¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?

En el formulario, cuando nos referimos a medicamentos, esto podría referirse a un medicamento o a un producto biológico. Los productos biológicos son más complejos que los medicamentos típicos. Como los productos biológicos son más complejos que los medicamentos habituales, en lugar de tener una forma genérica, tienen alternativas que se llaman biocomparables. Por lo general, los biosimilares son tan eficaces como los productos biológicos originales, y suelen ser más baratos. Existen alternativas biosimilares para algunos productos biológicos originales. Algunos biosimilares son biosimilares intercambiables y, dependiendo de las leyes estatales, podrían sustituir al producto biológico original en la farmacia sin necesidad de una nueva receta, al igual que los medicamentos genéricos pueden sustituir los medicamento de marca.

- Para ver un análisis sobre los tipos de medicamentos, consulte el Capítulo 3, Sección 3.1 de la Evidencia de cobertura “La ‘Lista de medicamentos’ dice qué medicamentos de la Parte D están cubiertos”.

¿Hay alguna restricción en mi cobertura?

Algunos medicamentos cubiertos pueden tener requisitos adicionales o límites en la cobertura. Estos requisitos y límites pueden incluir:

- **Autorización previa:** Triple-S Optimo PSHB requiere que usted o su médico obtengan autorización previa para ciertos medicamentos. Esto significa que necesitará contar con la aprobación de Triple-S Optimo PSHB antes de obtener sus medicamentos con receta. Si no tiene la aprobación de Triple-S Optimo PSHB, es posible que no cubramos el medicamento.
- **Límites de cantidad:** Para ciertos medicamentos, Triple-S Optimo PSHB limita la cantidad del medicamento que cubrirá. Por ejemplo, Triple-S Optimo PSHB proporciona 30 comprimidos por receta para atorvastatina de 80 mg en comprimidos. Esto puede ser además de un suministro estándar para un mes o tres meses.
- **Tratamiento escalonado:** En algunos casos, Triple-S Optimo PSHB requiere que usted primero pruebe ciertos medicamentos para tratar su afección médica antes de que cubramos otro medicamento para esa afección. Por ejemplo, si el medicamento A y el medicamento B tratan su afección médica, es posible que Triple-S Optimo PSHB no cubra el medicamento B a menos que usted pruebe primero el medicamento A. Si el medicamento A no funciona para usted, entonces Triple-S Optimo PSHB cubrirá el medicamento B.

Puede averiguar si su medicamento tiene requisitos adicionales o límites consultando el formulario que comienza en la página 1. También puede obtener más información sobre las restricciones aplicadas a

medicamentos cubiertos específicos en nuestro sitio web. Hemos publicado documentos en línea que explican nuestras restricciones de tratamiento escalonado y autorización previa. También puede pedirnos que le enviemos una copia. Nuestra información de contacto, junto con la fecha de la última actualización del formulario, aparece en las páginas de portada y la portada posterior.

Puede solicitar que Triple-S Optimo PSHB haga una excepción a estas restricciones o límites, o puede solicitarnos una lista de otros medicamentos similares que puedan tratar su afección médica. Consulte la sección "¿Cómo solicito una excepción al formulario de Triple-S Optimo PSHB?" en la página V para obtener información sobre cómo solicitar una excepción.

¿Qué sucede si mi medicamento no está incluido en el Formulario?

Si su medicamento no está incluido en este formulario (lista de medicamentos cubiertos), primero debe comunicarse con Servicio al Cliente y preguntar si su medicamento está cubierto. Es posible que Triple-S Optimo PSHB cubra el medicamento. Para obtener más información, póngase en contacto con nosotros. Nuestra información de contacto, junto con la fecha de la última actualización del formulario, aparece en las páginas de portada y la portada posterior.

Si se entera de que Triple-S Optimo PSHB no cubre su medicamento, tiene dos opciones:

- Puede solicitar al Servicio al Cliente una lista de medicamentos similares que Triple-S Optimo PSHB cubra. Cuando reciba la lista, muéstrésela a su médico y pídale que le recete un medicamento similar que Triple-S Optimo PSHB cubra.
- Puede pedir que Triple-S Optimo PSHB haga una excepción y cubra su medicamento. Consulte la información sobre cómo solicitar una excepción a continuación.

¿Cómo solicito una excepción al formulario de Triple-S Optimo PSHB?

Puede solicitar que Triple-S Optimo PSHB haga una excepción a nuestras normas de cobertura. Existen varios tipos de excepciones que puede solicitarnos.

- Puede solicitarnos que cubramos un medicamento incluso si este no se encuentra en nuestro formulario. Si se aprueba, el medicamento estará cubierto a un nivel de costo compartido determinado previamente, y no podrá solicitar que el medicamento se proporcione a un costo compartido menor.
- Puede solicitarnos que eliminemos una restricción de cobertura, que incluye la autorización previa, el tratamiento escalonado o un límite de cantidad en su medicamento. Por ejemplo, para ciertos medicamentos, Triple-S Optimo PSHB limita la cantidad del medicamento que cubriremos. Si su medicamento tiene un límite en la cantidad, puede solicitarnos que no apliquemos el límite y que cubramos una cantidad mayor.
- Puede pedirnos que cubramos un medicamento del formulario a un nivel de costo compartido más bajo. Si se aprueba, esto reduciría el monto que usted debe pagar por su medicamento.

Por lo general, Triple-S Optimo PSHB solo aprobará su solicitud de excepción si los medicamentos alternativos incluidos en el formulario del plan, el medicamento de menor costo compartido o la aplicación de la restricción no serían tan efectivos para usted o le causarían efectos adversos.

Usted o la persona autorizada a dar recetas deben comunicarse con nosotros para solicitar una excepción de nivel o al formulario, incluida una excepción a una restricción de cobertura. **Cuando solicita una**

excepción, la persona autorizada a dar recetas tendrá que explicar las razones médicas por las que necesita la excepción. Por lo general, debemos tomar una decisión en un plazo de 72 horas después de obtener la declaración de respaldo de la persona autorizada a dar recetas. Puede solicitar una decisión acelerada (rápida) si cree, y estamos de acuerdo, que su salud podría verse gravemente perjudicada si espera hasta 72 horas para recibir una decisión. Si estamos de acuerdo, o si la persona autorizada a dar recetas solicita una decisión rápida, debemos darle una decisión a más tardar 24 horas después de que recibamos la declaración de respaldo de esta persona.

¿Qué puedo hacer si mi medicamento no está en el formulario o tiene alguna restricción?

Como un miembro nuevo o continuo de nuestro plan, es posible que tome medicamentos que no se encuentren en nuestro formulario. O es posible que esté tomando un medicamento que está en nuestro formulario, pero tiene una restricción de cobertura, como una autorización previa. Debe hablar con la persona autorizada a dar recetas sobre la solicitud de una decisión de cobertura para mostrar que reúne los criterios de aprobación, cambiar a un medicamento alternativo que cubrimos o la solicitud de una excepción del formulario para que cubramos el medicamento que toma. Mientras usted y su médico determinan la acción más apropiada, podemos cubrir su medicamento en ciertos casos durante los primeros 90 días como miembro de nuestro plan.

Para cada uno de sus medicamentos que no esté en nuestro formulario o tenga una restricción de cobertura, cubriremos un suministro temporal para 30 días. Si su receta está indicada para menos días, le permitiremos obtener resurtidos del medicamento hasta llegar a un máximo de un suministro para 30 días del medicamento. Si la cobertura no se aprueba, luego del primer suministro de 30 días, ya no pagaremos esos medicamentos, incluso si hace menos de 90 días que es miembro del plan.

Si reside en un centro de atención a largo plazo y necesita un medicamento que no se encuentra en nuestro formulario, o si su capacidad de obtener sus medicamentos es limitada, pero ya transcurrieron los primeros 90 días como miembro de nuestro plan, cubriremos un suministro de emergencia de 31 días de ese medicamento mientras usted intenta conseguir una excepción al formulario.
