¿Qué es el formulario *Triple-S Optimo PSHB*?

En este documento utilizamos los términos Lista de Medicamentos y formulario para significar lo mismo. Un formulario es una lista de medicamentos cubiertos seleccionados por Triple-S Optimo PSHB conjuntamente con un equipo de proveedores de cuidados de salud, y que representa los tratamientos de medicamentos recetados que se consideran parte necesaria en un programa de tratamiento de calidad. Generalmente, Triple-S Optimo PSHB cubrirá los medicamentos mencionados en nuestro formulario, siempre y cuando el medicamento sea necesario por razones médicas, la receta se despache en una farmacia de la red de Triple-S Optimo PSHB y se sigan otras reglas del plan. Para obtener más información sobre cómo surtir las recetas, revise la Evidencia de Cobertura.

¿Puede cambiar el formulario?

La mayoría de los cambios en la cobertura de medicamentos ocurre el 1 de enero, pero Triple-S Optimo PSHB podría añadir medicamentos del formulario, o quitarlos de este, durante el año, desplazarlos a otros niveles de costo compartido o añadir nuevas restricciones. Debemos seguir las reglas de Medicare al hacer estos cambios. Las actualizaciones al formulario se publican mensualmente en nuestro sitio Web aquí: ssspr.com/postal.

Cambios que pueden afectarle este año: En los siguientes casos, se verá afectado por cambios en la cobertura durante el año:

- **Sustitución inmediata de determinadas versiones nuevas de medicamentos de marca y de productos biológicos originales.** Podríamos retirar de inmediato un medicamento de nuestro formulario si lo reemplazamos por una determinada nueva versión de este medicamento que surja en el mismo nivel de costo compartido o en uno menor, y con igual o menor cantidad de restricciones. Cuando añadimos una nueva versión de un medicamento al formulario, podríamos mantener el medicamento de marca o el producto biológico original en nuestro formulario, pero lo pasaríamos de inmediato a otro nivel de costo compartido o podríamos añadirle nuevas restricciones.

Podemos hacer estos cambios inmediatos solamente si añadimos una nueva versión genérica de un medicamento de marca o si añadimos determinadas nuevas versiones biosimilares de un producto biológico original, que ya estaba en el formulario (por ejemplo, añadir un biosimilar intercambiable que una farmacia puede sustituir por un producto biológico original sin que se necesite una receta nueva).

Si está tomando actualmente ese medicamento de marca o producto biológico original, podríamos no informarle por adelantado antes de hacer un cambio inmediato, pero después le haremos saber los cambios específicos realizados.

Si hacemos un cambio de ese tipo, usted o el profesional que emite la receta pueden pedirnos que hagamos una excepción y sigamos cubriendo el medicamento que es objeto del cambio. Para obtener más información, consulte la sección abajo titulada “¿Cómo solicito una excepción al Formulario de Triple-S Optimo PSHB?”

Algunos de estos tipos de medicamentos podrían ser nuevos para usted. Para obtener mayor información consulte la sección más abajo titulada “¿Qué son los productos biológicos originales y cuál es su relación con los biosimilares?”

- **Medicamentos retirados del mercado.** Si un medicamento es retirado del mercado por el fabricante o la Administración de Alimentos y Medicamentos (FDA) determina que debe ser retirado por motivos de seguridad o efectividad, podríamos retirar el medicamento de nuestro formulario de inmediato e informaremos a los miembros que lo toman.
- **Otros cambios.** Podríamos hacer otros cambios que afecten a los miembros que actualmente toman el medicamento. Por ejemplo, podríamos añadir un nuevo medicamento genérico para que sustituya un medicamento de marca que está actualmente en el formulario o añadir un nuevo biosimilar para reemplazar un producto biológico original que está actualmente en el formulario, o bien añadir nuevas restricciones o mover un medicamento que mantenemos en el formulario a un nivel de costo compartido más alto o ambos luego que añadamos un medicamento correspondiente. Podríamos hacer cambios de acuerdo con nuevas directrices clínicas. Si retiramos medicamentos del formulario, añadimos requisitos de autorización previa, límites de cantidad o restricciones de terapia escalonada, o si desplazamos un medicamento a un nivel superior de costo compartido, debemos notificar este cambio a los miembros afectados al menos

30 días antes de la entrada en vigor de dicho cambio. Alternativamente, cuando un miembro solicita la repetición de un medicamento, debería recibir un suministro de 30 días del medicamento y el aviso de cambio.

Si hacemos estos otros cambios, usted o el profesional que emite la receta pueden pedirnos que hagamos una excepción para usted y que sigamos cubriendo el medicamento que ha estado tomando. El aviso que le enviamos también incluirá información sobre cómo solicitar una excepción, y también podrá encontrar la información en la sección abajo titulada “¿Cómo solicito una excepción al Formulario de Triple-S Optimo PSHB?”

Cambios que no le afectarán si toma actualmente el medicamento. Generalmente, si usted toma un medicamento en nuestro formulario de 2025 que estaba cubierto al comienzo del año, no descontinuaremos ni reduciremos la cobertura del medicamento durante el año de cobertura 2025, excepto como se describe arriba. Esto significa que, durante el resto del año de cobertura, estos medicamentos seguirán disponibles al mismo nivel de costo compartido y sin nuevas restricciones para aquellos miembros que lo toman. Usted no recibirá un aviso directo este año sobre cambios que no le afecten. Sin embargo, el 1 de enero del próximo año, los cambios le afectarán y es importante que revise el formulario del nuevo año de beneficios para ver si hay cambios en los medicamentos.

El formulario adjunto está actualizado al 10/02/2024. Para recibir información actualizada sobre los medicamentos cubiertos por Triple-S Optimo PSHB, comuníquese con nosotros. Nuestra información de contacto aparece en la portada y contratapa.

¿Cómo uso el Formulario?

Hay dos maneras de encontrar el medicamento en el formulario:

Afección médica

El formulario comienza en la página 1. Los medicamentos en este formulario están agrupados en categorías, dependiendo del tipo de afección médica que tratan. Por ejemplo, los medicamentos usados para tratar una afección cardíaca están enunciados bajo la categoría Cardiovascular. Si usted sabe para qué se usa el medicamento, busque el nombre de la categoría a partir de la página 1. Luego, busque el medicamento bajo el nombre de la categoría.

Listado alfabético

Si no está seguro en qué categoría buscar, busque el medicamento en el Índice al final del documento correspondiente al Formulario. El Índice ofrece un listado alfabético de todos los medicamentos incluidos en este documento. Tanto los medicamentos de marca como los medicamentos genéricos están incluidos en el Índice. Busque en el Índice y encuentre su medicamento. Junto al medicamento, verá el número de la página en la que podrá encontrar la información de cobertura. Vaya a la página indicada en el Índice y busque el nombre del medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

Triple-S Optimo PSHB cubre tanto medicamentos de marca como genéricos. Un medicamento genérico está aprobado por la FDA como medicamento que contiene el mismo ingrediente activo que el medicamento de marca. Por lo general, los medicamentos genéricos funcionan igual de bien que los medicamentos de marca, pero cuestan menos que estos. Hay sustitutos de medicamentos genéricos disponibles para muchos medicamentos de marca. Por lo general, los medicamentos genéricos se pueden sustituir por el medicamento de marca en la farmacia sin necesidad sin que se necesite una receta nueva, según las leyes estatales.

¿Qué son los productos biológicos originales y cuál es su relación con los biosimilares?

En el formulario, cuando nos referimos a medicamentos, estos pueden ser un medicamento o un producto biológico. Los productos biológicos son medicamentos más complejos que los medicamentos típicos. Puesto que los productos biológicos son más complejos que los medicamentos típicos, en lugar de tener una forma genérica, tienen alternativas llamadas biosimilares. Por lo general, los medicamentos biosimilares funcionan igual de bien que el producto biológico original y pueden costar menos. Hay alternativas biosimilares para algunos productos biológicos originales. Algunos biosimilares son biosimilares intercambiables y, según la legislación del estado, podrían ser sustituidos por el producto biológico original en la farmacia sin que se necesite una receta nueva, exactamente igual a los medicamentos genéricos que pueden ser sustituidos por medicamentos de marca.

- Para una discusión sobre los tipos de medicamentos, consulte la Evidencia de Cobertura, Capítulo 3, Sección 3.1, “La ‘Lista de Medicamentos’ le indica cuáles medicamentos de la Parte D están cubiertos”.

¿Hay alguna restricción en mi cobertura?

Algunos medicamentos cubiertos podrían tener requisitos adicionales o límites de cobertura. Estos requisitos y límites podrían incluir:

- **Autorización previa:** Triple-S Optimo PSHB requiere que usted [o el profesional que emite la receta] obtengan autorización previa para ciertos medicamentos. Esto significa que usted deberá obtener la aprobación de Triple-S Optimo PSHB antes de surtir su receta. Si no recibe la aprobación, es posible que Triple-S Optimo PSHB no cubra el medicamento.
- **Límites de cantidad:** Para ciertos medicamentos, Triple-S Optimo PSHB limita la cantidad de medicamentos que Triple-S Optimo PSHB cubrirá. Por ejemplo, Triple-S Optimo PSHB proporcional 30 comprimidos por receta de atorvastatin 80 mg en comprimidos. Esto podría ser adicionalmente al suministro estándar de un mes o de tres meses.
- **Terapia escalonada:** En algunos casos, Triple-S Optimo PSHB requiere que pruebe primero ciertos medicamentos para tratar su afección médica antes que cubramos otro medicamento para esta afección. Por ejemplo, si tanto el Medicamento A como el Medicamento B tratan su afección médica, Triple-S Optimo PSHB podría no cubrir el Medicamento B a menos que usted pruebe primero el Medicamento A. Si el Medicamento A no le sirve, entonces Triple-S Optimo PSHB cubrirá el Medicamento B.

Usted puede saber si su medicamento tiene requisitos o límites adicionales consultando el formulario que comienza en la página 1. También puede obtener más información sobre las restricciones aplicadas a medicamentos cubiertos específicos visitando nuestro sitio Web. Hemos publicado documentos en línea que explican nuestras restricciones de autorización previa y de terapia escalonada. También puede pedirnos que le enviemos una copia. Nuestra información de contacto, junto con la fecha en la que actualizamos por última vez el formulario aparece en la portada y en la contratapa.

Usted puede pedirle a Triple-S Optimo PSHB que haga una excepción a estas restricciones o límites o para una lista de otros medicamentos similares que podrían tratar su afección de salud. Consulte la sección “¿Cómo solicito una excepción al formulario de Triple-S Optimo PSHB?” en la página V para obtener información sobre cómo pedir una excepción.

¿Qué pasa si mi medicamento no está en el Formulario?

Si su medicamento no está en este formulario (lista de medicamentos cubiertos), primero debe comunicarse con Cuidado al Cliente y preguntar si el medicamento está cubierto. Triple-S Optimo PSHB] podría cubrir su medicamento. Para obtener más información, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha en la que actualizamos por última vez el formulario aparece en la portada y en la contratapa.

Si se entera de que Triple-S Optimo PSHB no cubre su medicamento, usted tiene dos opciones:

- Puede pedirle al Cuidado al Cliente una lista de medicamentos similares cubiertos por Triple-S Optimo PSHB. Cuando reciba la lista, muéstrasela al médico y pídale que le recete un medicamento similar que esté cubierto por Triple-S Optimo PSHB.
- Puede pedir a Triple-S Optimo PSHB que haga una excepción y cubra su medicamento. Consulte más abajo para obtener más información sobre cómo solicitar una excepción.

¿Cómo solicito una excepción al Formulario de Triple-S Optimo PSHB?

Puede pedirle a Triple-S Optimo PSHB que haga una excepción a nuestras reglas de cobertura. Hay varios tipos de excepciones que puede pedirnos que hagamos.

- Puede pedirnos que cubramos un medicamento, aunque no esté en el formulario. Si se aprueba, este medicamento estará cubierto a un nivel predeterminado de costo compartido, y usted no podrá pedirnos que le demos el medicamento a un nivel inferior de costo compartido.
- Puede pedirnos hagamos una exención a una restricción de cobertura, como la autorización previa, la terapia escalonada o el límite de cantidad de su medicamento. Por ejemplo, para ciertos medicamentos, Triple-S Optimo PSHB limita la cantidad de medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, puede pedirnos una exención del límite y que cubramos más cantidad.

- Nos puede pedir que cubramos un medicamento del formulario a un nivel de costo compartido inferior. Si se aprueba, esto reduciría la cantidad que usted tendría que pagar por su medicamento.

Por lo general, Triple-S Optimo PSHB sólo aprobará su solicitud de excepción si los medicamentos alternativos están incluidos en el formulario del plan, si el medicamento de costo compartido inferior o las restricciones adicionales de uso no serían tan eficaces para usted y/o podrían causarle efectos médicos desfavorables.

Usted o el profesional que emite la receta deben comunicarse con nosotros para solicitar una excepción de nivel o de formulario, incluida una excepción a una restricción de cobertura. **Cuando usted pida una excepción, el profesional que emite la receta necesitará explicar las razones médicas por las que usted necesita la excepción.** Por lo general, tomaremos nuestra decisión dentro de las 72 horas siguientes de haber recibido la declaración justificativa del profesional que emite la receta. Puede solicitar una excepción sin demora (rápida) si usted cree, y nosotros estamos de acuerdo, que su salud podría verse seriamente perjudicada por esperar hasta 72 horas por una decisión. Si estamos de acuerdo, o si el profesional que emite la receta pide una decisión rápida, debemos darle una decisión a más tardar 24 horas después que hayamos recibido la declaración justificativa de este profesional.

¿Qué puedo hacer si mi medicamento no está en el formulario o tiene restricciones?

Como miembro nuevo o continuo en nuestro plan, usted podría estar tomando medicamentos que no están en nuestro formulario. O usted podría estar tomando un medicamento que está en nuestro formulario pero tiene una restricción de cobertura, por ejemplo, una autorización previa. Debería hablar con el profesional que emite la receta respecto a solicitar una decisión de cobertura para demostrar que usted cumple los criterios para la aprobación, pasarse a un medicamento alternativo que cubramos o solicitar una excepción al formulario para que cubramos el medicamento que toma. Mientras usted y su médico determinan la acción correcta para usted, en ciertos casos podríamos cubrir su medicamento durante los primeros 90 días en los que es miembro de nuestro plan.

Para cada uno de los medicamentos que no estén en nuestro formulario o si hay una restricción de cobertura, cubriremos un suministro temporal de 30 días. Si su receta es por menos días, permitiremos repeticiones para darle un máximo de hasta 30 días de medicamento. Si la cobertura no es aprobada, después del primer suministro de 30 días, no pagaremos estos medicamentos, aunque haya sido miembro del plan por menos de 90 días.

Si reside en una institución de cuidados a largo plazo y necesita un medicamento que no está en nuestro formulario o si su capacidad de recibir sus medicamentos es limitada, pero los primeros 90 días de su membresía en nuestro plan han pasado, cubriremos un suministro de emergencia de 31 días para ese medicamento mientras solicita una excepción al formulario.
